Brother Francis: The Barefoot Saint of Assisi

This 10 part dramatization captures key moments in the story of the much-loved St. Francis. The goal was to create a portrait of Francis' life that would inform and inspire "saints in the making" – which is *all of us!*

Part 1 *The Troubadour (1198-1202)*: We meet the young well-to-do Francis and the conflicts that ultimately send him to war with a neighboring city.

Part 2 *A Fool In Chains (1202-1205)*: Captured by the enemy, Francis spends a year in prison. Upon his release, he suffers a personal crisis as he asks the hard questions of life – and can't find the answers.

Part 3 *The Road Back (1204)*: Francis renews his quest to become a great Knight, but his compassion and a pivotal dream get in the way.

Part 4 *Unclean (1205)*: Francis is in conflict with his family as his behavior becomes more erratic and he tries to discern what God wants from him. A pilgrimage to Rome intensifies his spiritual journey – and a vision from God – changes the direction of his life.

Part 5 *Unshackled (1205-1206)*: Francis' father goes to extreme measures to bring Francis back to his senses, leading to a permanent change in their lives.
